Sir

In forwarding herewith an Extract of para 3 of Government Proceedings no 3853-415 3878-410 Dated 24th June 1901, I have the honor to request you to be kind enough to move Government to sanction the

the entertainment of a sweeper on ₹5/- and a gardener on ₹6/- for the Civil Surgeon's Bungalow at Chikmagalur. You are well aware that the Bungalow has a spacious compound and it is absolutely necessary that a sweeper and a gardener should be employed, if the Bungalow and its Compound are to be kept in a neat and decent condition. It may be seen in Government Proceedings mentioned above, that a gardener, &c, will be provided by Government to "official residences" such as the one occupied by the Civil Surgeon at Chikmagalur. I also beg to enclose extract of G.O. Proceedings no 9357-66 mis 2047- dated 24th January 1901 pointing out that the provision of mats, blinds and the Employment of a gardener, &c, applies to "official residences"

Para : 3 — no rent is to be charged —

(1) To officers whose residence within or in close proximity to the premises of the institution in which they are employed, is considered by Government to be necessary & who have been provided with an offl residence with this object;

(2) To an officer entitled to a free house as a part of his official emoluments in accordance with an order of Govt. A free house does not include any of the furniture required for it, but Govt will do all that any Land-Lord usually does, such as providing mats, blinds, employing a gardener, &c
